Central Committee Meeting.

The county central committee met at the courthouse in Keytesville Wednesday, August 8, 1906, in answer to a call by the chairman, M. W. Anderson, who stated the objects of the meeting to be to call a county convention and township mass-meetings to nominate candidates for county assessor and county collector and also to nominate candidates for justices of the peace and constable in each township.

A roll call showed the following members of the committee to be present.

Bowling Green, T. H. Car-skadon.

Brunswick, M. W. Anderson, proxy for L. H. Herring.

Chariton, J. J. Moore, proxy for Covey Heryford.

Cunningham, J. A. Collet, proxy for Lewis Lisle.

Keytesville, M. W. Anderson.

Mendon, Cecil Wayland.

Mussel Fork, E. B. Welch.

Salisbury, L. Don Brummall.

Salt Creek, Barney Ragles-berger.

Triplett, R. T. Morehead, proxy for F. M. Elliott.

Wayland, C. O. Houston.

On motion, a convention was called to meet at the courthouse in Keytesville Tuesday, September 18, to nominate candidates, for county assessor and county collector. Township mass-meetings are to be held Saturday, September 15, to select delegates to said county convention and also to nominate candidates for justices of the peace and con-

stable in each township. The selection of delegates and the nominations of candidates for justice of the peace and constable must be certified to the county convention by the chairman and secretary of the several township mass-meetings.

On motion, the basis of representation to the county convention was fixed at one delegate for every 50 votes or fraction of 25 or over cast for Parker for president in 1904, which will make the number of delegates to which each township will be entitled as follows:

A resolution was introduced and carried to the effect that the county campaign be formally opened the day the county convention is held at Keytesville, Tuesday, September 18, and directing the executive committee of the county central

committee to secure prominent speakers to address the convention and others present.

There being no further business, the central committee adjourned, subject to the call of the chairman.

J. A. Collet of Keytesville and T. M. Bresnehan of Brookfield, members of the state Democratic central committee from this (the Second) congressional district, and Congressman W. W. Rucker attended a meeting of Democrats at St. Louis Monday to perfect arrangements for a reception to be given Hon. Wm. J. Bryan at St. Louis upon the occasion of his return from his trip abroad. The time has not been definitely decided upon, but will be about the 10th of September. Prominent speakers will be present, but Mr. Bryan will be the speaker of the day. All signs now point to the nomination of Mr. Bryan on the Democratic ticket for president in 1908 and his triumphant election in November of that year. The day following the Bryan reception at St. Louis the state Democratic campaign will be formally opened at Kansas City, and on which occasion Mr. Bryan and others will also deliver stirring addresses.

Boy Breaks Neck.

Joe, the 3 1-2-year-old son of Florence Cooper, col., of Keytesville fell off a high back porch at the home of Delia Starks, col., yesterday morning about 11 o'clock and broke his neck. Dr. Hughes is holding an inquest as the COURIER goes to press.
